**1410 – 1530: Discussions in WP groups:**

- What have we accomplished – do we fulfill what we have promised so far – identify gaps – should we redirect some research?
- Have secondments been carried through as planned? Are there changes in the plans for the remaining time?
- Plans for collaboration?
- Publications – what have we published so far, what is in the pipeline? Can we increase the output from NORA?

**Coffee/tea and biscuits/fruits served during this session.**

**1530 – 1650: WP 1-3; WP overviews: Interactions across WPs – new aspects that should be covered – do we see major changes that need to be done?** Sum-up and future directions.

1530-1550: WP1 (Rob van Spanning)

1550-1530: WP2 (Jim Prosser; longer time slot due to large WP!)

1530-1650: WP3 (Lars Bakken)

**1650 – 1630: Short reports from WP5 (Training, Mark van Loosdrecht) and WP6 (Outreach David Richardson).**

**1630 – 1700: “Bird’s eye view” – where is NORA now and how can we best use the last year of NORA?** (Åsa Frostegård)

**1700 – 1800: Supervisory Board Meeting. Short agenda will be provided later.**

**1700 – 1900: Discussions in *ad hoc* groups (collaboration, secondments, writing...); fellows start while PIs are in SB meeting.**
